BOGOTA BIRDING AND BIRDWATCHING COLOMBIA TOURS

Colombia country of the birds

ANDEAN ENDEMIC

**BOGOTA D.C
(1 day)**

Birding tours (@Photo Bogota Birding)

Colombia is the country with the big number of birds of the world with approximately 1921 species including endemic, near endemic, migratory and permanent residents. Colombia's wide variety of ecosystems and habitats make it a megadiverse country in fauna and flora.

The observation of birds in Colombia is fantastic and wonderful because you can find diversity of ecosystems and different birds according to the region of the country that you want to visit like for example: Andean Region (Eastern mountain, Central mountain and Western mountain), Magdalena Valley, Santa Marta, Choco Region, Llanos, Orinoquia, Pacific Coast, Atlantic Coast and Amazon.

Thanks for trusting us!!!

LA FLORIDA WETLAND EASTERN ANDES

FLORIDA WETLAND (@Photo Bogota Birding)

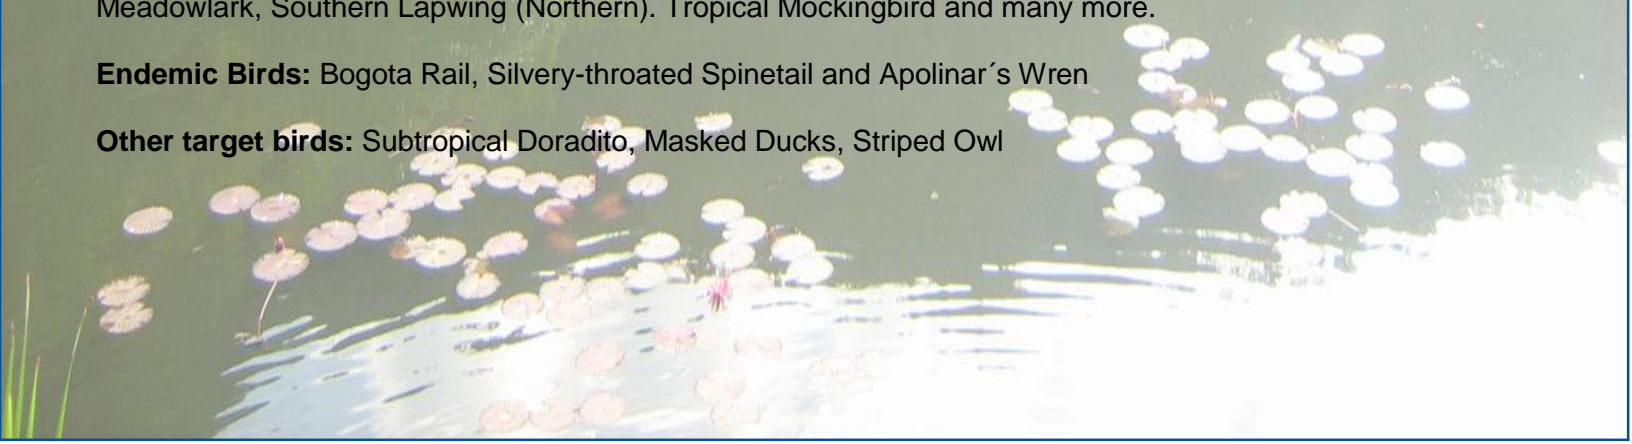

Morning (5:30am):

We will depart to the Florida Wetland in the city Bogota, at a altitude of 2600m. Wetlands are vital to human survival. They are one of the most productive environments in the world, and are cradles of biological diversity and sources of water and primary productivity of which countless plant and animal species depend to survive. Wetlands are indispensable because of the innumerable benefits or "ecosystem services" they provide to humanity, from freshwater supply, food and building materials, and biodiversity, to flood control, groundwater recharge and mitigation of climate change (Ramsar 2014).

You will can see some very interesting birds as Bogota Rail, Spot-flanked Gallinule, Noble Snipe, Andean Duck, Andean Teal, Blue-winged Teal, Andean Teal, Ruddy Duck ssp. Andina, Great Egret (American), Cattle Egret, Striated Heron, Black-crowned Night-Heron, Black Vulture, American Coot, Rock Pigeon, Eared Dove, Green-tailed Trainbearer, Tropical Kingbird, Brown-bellied Swallow, Great Thrush, Rufous-collared Sparrow, Eastern Meadowlark, Southern Lapwing (Northern). Tropical Mockingbird and many more.

Endemic Birds: Bogota Rail, Silvery-throated Spinetail and Apolinar's Wren

Other target birds: Subtropical Doradito, Masked Ducks, Striped Owl
